## ABOUT THE TOWN OF SMOKY LAKE

Smoky Lake is located in the west of the Alberta HUB region. Alberta HUB is a partnership of communities, business/industry and post-secondary educational institutions in Northeastern Alberta meant to enhance the quality of life and economic interests of this region. Agriculture is the economic base of the Smoky Lake area, and the major business sector in town is focused on providing agricultural services to the region. Smoky Lake is surrounded by many lakes and streams, along with the North Saskatchewan River. Smoky Lake was incorporated as a village in 1923 and received town status in 1962. Smoky Lake is perfect for an active lifestyle. We take pride in how clean and friendly our small town is with its wonderful businesses and dedicated volunteers who make the town a safe and enjoyable place to live. Noted as the Pumpkin Capital of Alberta and home to the only Métis Cultural interpretative centre in Alberta, Métis Crossing.
