ABOUT THE VILLAGE OF MYRNAM

Myrnam is located in the south central area of the Alberta HUB region. The Alberta HUB is a partnership of communities, post-secondary educational institutions and business/industry in northeastern Alberta meant to promote the quality of life and economic interests of this region. Since the 1930's, many families have raised children and participated in events offered by the community. With excellent emergency services, volunteer and service organizations and recreation opportunities, Myrnam is a safe, quiet community located minutes from St. Paul, Vermillion and Two Hills. The Village got its name because the word Myrnam means "peace to us" in Ukrainian, the language of the pioneers who settled the area. Myrnam is a peaceful place, nestled on a hill overlooking the Myrnam Valley, and is full of trees and vegetable and flower gardens lovingly tended by homeowners who enjoy the quiet beauty and closeness of village life.

The Village of Myrnam is a member of the Northeast Alberta Information HUB, which is the regional economic development alliance of Northeast Alberta.
